Notes from the Gov

It is time again to write for the monthly newsletter. Last month I talked about some of the things I wanted to do and asked for those that read it to email me. Interestingly, I got more responses from other districts than I did from our own. Either no one reads them, or they just ignore the governor. I know I read them because Lion Jodie makes me!!

Lion Jodie and I journeyed to Seattle for the Lions Clubs International Convention and for governor training. While I was assured that this year was a first for having the partners-in-service participate in a lot of the training, I was also assured that as more and more of the partners in service are Lions in their own right, we will probably see more joint training. I have to admit that I was skeptical of the value of the training for the governor since I've been in one training session after another for the last two years. Despite that, I think it was some of the best training I have had in Lions to date. We had the added bonus of being in sessions that included folks from around the world. In my classes alone we had folks from Australia, New Zealand, Poland, Slovakia, Singapore, Illinois, Kentucky, Connecticut, and Texas.

I thought our West Texas governors had long drives to reach their district clubs till I spoke with a lady from Australia who had to drive 8 hours plus, depending on the weather, just to cross her district and that was mostly in the "outback." The one I want to trade with, not for the distance but for where he goes is the northern New Zealand governor whose area includes Samoa, American Samoa, Tonga, and Fiji. Now there are some hardship visitations!!

The best part of all the time in Seattle was getting to hear the new International President Wing-Kun Tam from Hong Kong. His platform of "I Believe" is a simple premise but powerful if we follow it. He told us "I Believe" that Lions have the ability to change the world. Together, Lions club members around the world make up the world's largest network of caring individuals. That makes us capable of great things. His words were "I believe in you. I believe that every Lion makes a difference." He also believes that the 1.36 million Lions in the world can plant 1 million trees in this year. Our goal in this effort is 500 trees within 2E1.

He is also supporting a program called "My Club, My Family" which fits exactly with my focus on retention. Let's all treat the members of our club as part of our extended family and see if we can't keep more folks involved. Last year we recruited 200 new Lions. Unfortunately, 265 Lions left for one reason or another. If we can reduce the losses by as little as 25%, we will be a positive next year without even increasing our recruiting.

We also had a cabinet meeting on July 16th in Graham. The meeting was well attended with about 70 people from 20 clubs. We talked about the coming year's focus and how we plan to do training. We talked about how the old MERL team (Membership, Extension, Retention, and Leadership) has been put aside for a newer idea. The Global Membership Team (GMT) and the Global Leadership Team (GLT) will replace MERL. The state level GMT is our own PDG Hal Griffin from 2E1. The GLT is PDG Aubrey Cherry from El Paso. Within the district, the representatives for GMT and GLT are a part of the governor's executive team. For 2E1 the GMT is PDG Gary Sult and the GLT is Lion Sharon Emmons. Along with the Vice District Governors and the Zone Chairmen, they make up the District Governors Team.

As closure, I'll let you know that at the cabinet meeting we filled half of the open zone chair positions, along with several other district chair positions. We are waiting now for the paperwork to be completed and we should be able to announce our new Second Vice-District Governor officially at the next cabinet meeting, which should be Saturday, October 8th, in Munday. Specifics will be provided as soon as they are available.

Stephenville Lions News

A Lions Gets His Wings

Today, June 9, 2011 the Stephenville Lions Club sat in a memorial service for one of our own, William "Bill" M. Rountree. We like to call him "Dandelion" Bill Rountree and he was one of a kind. Our hearts are heavy as we have lost a wonderful friend who taught us all how to live right and to cherish each moment we are given here on Earth. In the service today, Lion Brother Emil Becker, reminded us that even though our hearts are heavy we should rejoice in the Lord for Bill has gone home to the house that God prepared for him. As Bill's two daughters spoke from the podium they stated their daddy had lived his life in order – God first, family and friends second, and community service third.

You see that is how Bill lived his life each and every day. It all started while serving in the United States Marine Corps in World War II. Bill made a promise to serve the Lord and others if he survived the war and was able to return home. So, when he arrived home after the war that is just what he did, he retired from his job and vowed his commitment to volunteer in and serve his community.

Bill has been a Lion for 62 years. He joined the Eldorado Lions Club in January of 1949 where he served as President in 1967. Then in 1978 he transferred to the Stephenville Lions Club and has been serving our club for 33 years. Of those years there was not much Bill missed. It did not seem to matter what we were doing, Bill was always there with his lovable grin, big hugs, kind heart, and caring spirit. He served the Lions Club passionately and he believed 100% in what we are doing for our community. Even though Bill was one of the oldest members of our club you would have never guessed it. Up until the day he passed away his mind was clear, he was still driving and living at home with his wife. He was an amazing fountain of youth.

Lion Bill receives a Melvin Jones Fellowship Award in 2007.

We have watched Bill play baseball, swim, ride a horse, bowl, and jump off of a 50 foot wall to slide down a zip line. Yes, you hear me right at the young age of 92 Dandelion Bill was hoisted up a 50 foot wall and once at the top he jumped off and flew down a zip line.

Vernon Lions News

It was awesome and a moment no one in our club has ever forgotten. If it involved helping and serving children Bill was by their side encouraging them that they could do anything they put their mind to and most of the time he was leading by example. Some of the Stephenville Lions still have visions of the first time we took a group of handicapped kids swimming and Bill came out in his 1940 swim trunks to be the first one in the pool. The men in our club will tell you Bill was a chick magnet and I must admit they are right. The women loved Bill, but what was there not to love. Oh how we will miss our sweet Bill.

I must say today I was **proud to be a Lion**. To have had the opportunity to serve along beside a Christian man who touched so many lives through serving and helping others. We will miss you Dandelion Bill for no one could ever take your place!!

“I have fought the good fight, I have finished the race, I have kept the faith.” 2 Timothy 4:7

Vernon, Texas – Vernon Lions Club president Donna Moore congratulates Lion Bobby Crews as she presents him with the Lion of the Year award. Crews was cited for his efforts and involvement in numerous Lions club activities during the past year.

Vernon, Texas – Shouts of “speech, speech” were heard as Lions Club Sweetheart Mari Adams was presented a gift and scholarship honoring her year of service to the Vernon Lions Club. Co-sweetheart Mackenzie Smead was unable to attend the banquet.

Vernon, Texas – New Vernon Lions Club president Gary Smith was installed during ceremonies conducted by Past District Governor Luren Campbell of Olney.

Vernon, Texas – New Vernon Lions Club President presented outgoing president Donna Moore with a plaque in honor of her past year of service to the club.

Vernon, Texas – Past Vernon Lions Club presidents attending the Awards and Installation banquet were part of the Passing of the Gavel ceremony honoring new Vernon Lions Club President Gary Smith. Lion presidents shown in photo include from left new president Lion Gary Smith, immediate past president Lion Donna Moore, and other past presidents Lions Bobby Crews, Lori Adams, and Jimmie Anderson. PDG Luren Campbell of Olney served as installing officer. Theme for the banquet was “Sock Hop”.

Vernon, Texas - New Vernon Lions Club officers and award winners were announced at the annual Awards and Installation banquet held recently in the Empire Room of Wilbarger Memorial Auditorium. Shown from left front row are: Lion of the Year Bobby Crews, Gary Smith, president; Gib Baskerville, first vice president; Ken Baxter, third vice president and song leader; Amanda Anderson, secretary/treasurer; Donna Moore, immediate past president; and Kent Smead, lion tamer. Shown on the back row are Mark Schoonover, Mike Baskerville, and Gene Tyra, tail twisters; Ben Macklin, chaplain; PDG Luren Campbell of Olney, installing officer; and Hannah Graf, sweetheart. Not present for the photo were Sean Stockard, second vice president; Robert Webb, Everett Hopkins, and Charles Stewart, directors; and Blakney Belcher and Annabelle Wright, sweethearts. Theme for the banquet was “Sock Hop”.

Elmwood West and Abilene Evening Lions News

The Elmwood West Lions Club and the Evening Lions Club heard a program presented by Mike Hall Left, John Smith Right and PDG Allen Lamb concerning the Abilene Youth Sports Authority. Their web site is www.abileneysa.org

Following are photos of Joint installation of new officers into the Elmwood West Lions Club and the Evening Lions Club by Past International President E.J. "Ebb" Grindstaff during a joint meeting of the two clubs.

Dublin Lions News

DG Art installed new officers for the Dublin Lions Club. The new officers are: David Cleveland, President; Mac McKinnon, Vice President; Michael Weems, Past President; Steve Hightower, Secretary/Treasurer; Ike Wade, Tail Twister; Dr. Rodney Schnieder, Lion Tamer; Robert Reed, Director; Bob Sohms, Director.

WHAT IS THE AGE OF YOUR DOG ?

Hints from Heloise:

Ever wonder how old your dog really is in human years? The adage to "multiply your dog's age is seven" is actually incorrect! The truth is that small dogs and large dogs age at different rates. Small dogs will actually live much longer than their bigger canine friends, based on their weights... some toy breeds can live up to 20 years!

The American Society for the Prevention of Cruelty to Animals has drawn up a chart that provides an average age calculator. Keep in mind that this is just an average age, not an exact scientific formula:

DOG AGE	HUMAN YEARS
1 Year(s)	12 Year(s)
2	24
3	28
5	36
7	44
9	52
11	60
13	68
15	76

Lions Magazine

If you are like me, when you get your Lions Magazine you toss it aside to "read later." Maybe sometimes later doesn't happen as busy as we all are. Well, this last magazine was mostly about and from IP Wing-Kun Tam. He is an amazing speaker, full of excitement for Lionism and, from what I get from the magazine, a very amazing person. If you haven't read it, dig it out of the pile and do so.

Our Newsletter

Either there is something wrong with my computer and/or email (very possible) or we didn't get very many inputs for the newsletter, especially for two months. I am going to chalk it up to summer and the terrible heat and I know that I will get many more articles next month. The deadline will be August 26th.

Pencils: Check Notebooks: Check Ruler: Check

It's August and this scenario (or something close to it) is being played out all across Texas: Mom or Dad have been to the school or on the school website to get the list of supplies their children will need. Now the frenzy has begun to make sure everything on the list is ready to go on that first day of school.

It may cost a ton of money, but they have to have it. Paper, erasers, pens, notebooks: check. Ruler, protractor, 3 ring binders: check. Gym clothes: check. Folders, thumb drive: check. New pair of jeans, new tennis shoes, new shirts: check. Haircut: check. New lunch box: check. **Eye Exam: NOT CHECKED!**

"We're just out of money; we can't afford the exam much less glasses. I hope their eyes haven't changed much over the summer, plus the school district has to check them anyway".....and so it plays out in households all over the State. As a result, thousands of children will start school with all of the right supplies, but **NOT** all of the right **TOOLS!**

But is leaving it up to the schools the answer? School budgets have been slashed, larger districts that had dedicated testers, probably have cut them. Nursing staffs will be as bare bones as is allowed, so nurses will find it harder and harder to get the job done accurately. Acuity chart tests, which are minimal exams at best, will be further marginalized due to lack of time.

This year it will be more important than ever for TLERC and Lions Clubs across Texas to step up and serve our children, as the "Knights of the Blind" we are. The great thing is that in the last few years a new device has appeared to bring the screening process into the 21st century. It's called PediaVision.

Once you are trained in its use, PediaVision shoots a computerized picture of an eye so quickly that even a baby's eyes can be checked accurately (almost impossible with old methods). The results are stored in the computer. Now accurate results can be obtained with even the youngest students and at day cares.

More importantly it also detects and records several additional anomalies of the eye, which go undetected using the old screening methods. Conditions, which if caught early enough may be correctable in the child. Doctors use PediaVision in their offices, but have to pay not only for the equipment, but also each time they pull the trigger. However, PediaVision will sell Lions the equipment and we do not have to pay the \$4-\$5 per image. It is a great tool and can be shared by clubs all across a zone or district.

Of course, once the exams are done there will be thousands of families that can't afford the glasses and once again the Lions of Texas **will** step up to the plate. President Tam believes it. **"I Believe"** it.

Using TLERC's lab we can help you put new glasses on those needy children for \$14/pair (\$18 for some prescriptions). TLERC's Children's Eyeglass Program made 1,000 pair last year. We can do a lot more, and you can serve a lot more through our own State project than using retail outlets. Call TLERC to help your club get going in this important work.

Eye Exam: Check! Glasses: Check!
